Lakeview
Community Library

2025 Annual Report

Lakeview Community Library · Serving Lakeview County since 1962

Letter from the Director

Dear neighbors, 2025 was the busiest year in our library's history. More people visited, borrowed and learned with us than ever before. We opened a renovated reading room, launched a mobile library for rural towns, and doubled the number of free computer classes. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

None of this happens without you: the readers who fill our rooms, the volunteers who shelve and teach, and the partners who fund our work. Thank you. Here is what we accomplished together.

Maria Delgado, Library Director

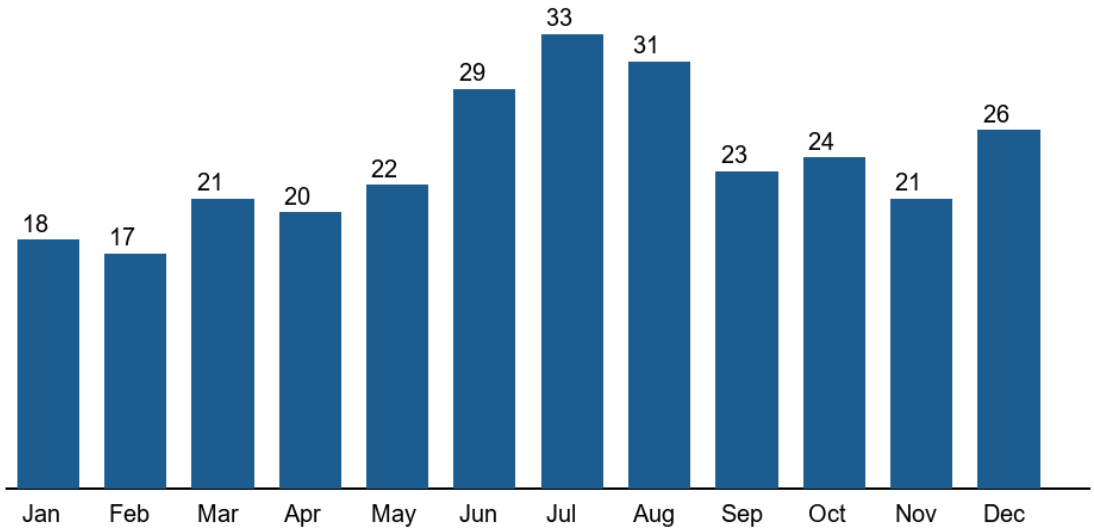

Year at a Glance

- 312,000 items borrowed, up 14% from 2024
- 286,000 visits across three branches
- 4,800 new library cards
- 1,150 free programs
- 52,000 hours of free Wi-Fi and computer use

Visits and Borrowing

Visits rose in every month of the year, with summer reading driving our two busiest months. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

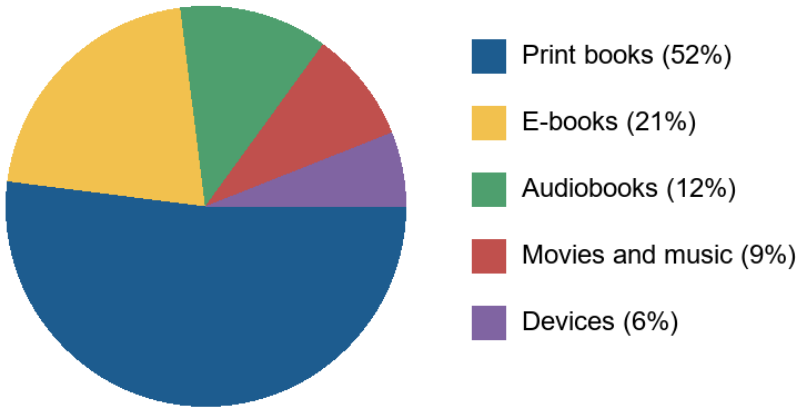

Visits per month, 2025 (thousands)

What people borrowed

Print books are still our most popular format, but e-books and audiobooks grew fastest.

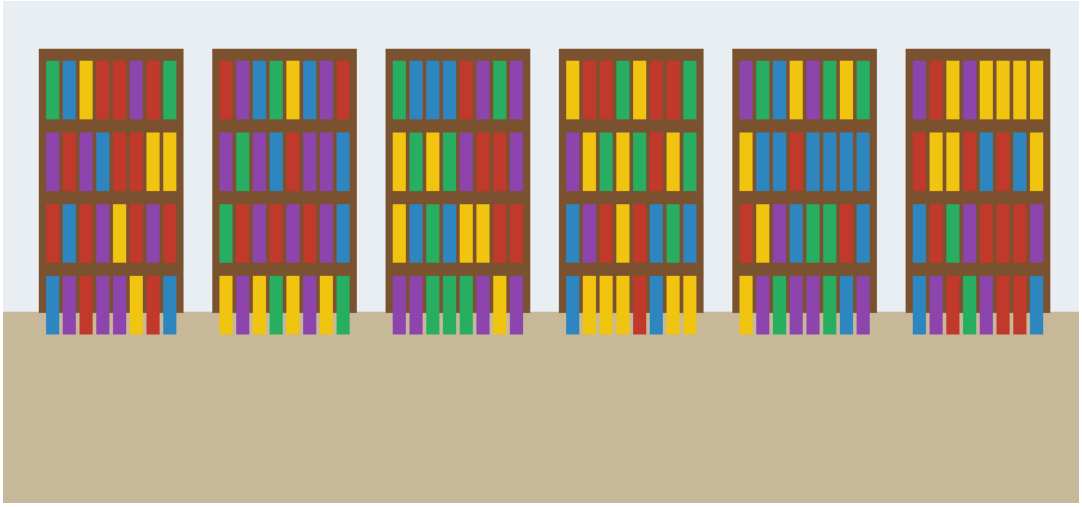

What people borrowed in 2025

Our Branches

Branch	Weekly hours	Visits in 2025	Items borrowed
Main Library	64	171,000	188,000
Northside	48	62,000	71,000
Riverside	40	38,000	41,000
Mobile library	24	15,000	12,000

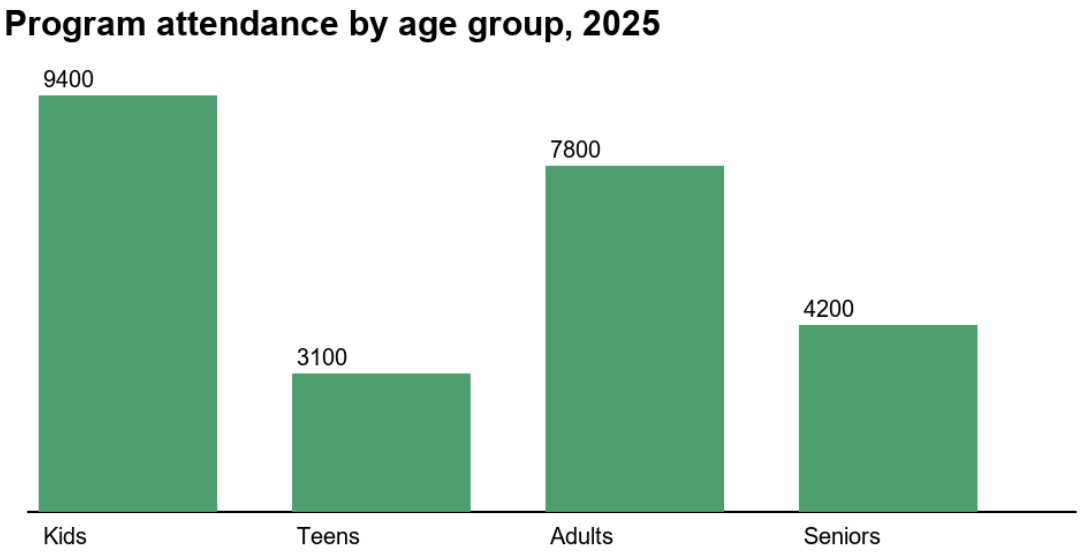

Weekend hours at the Main Library were extended in April. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

The renovated main reading room opened in March with 40 new seats.

Programs and Events

We offered 1,150 free programs for every age. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

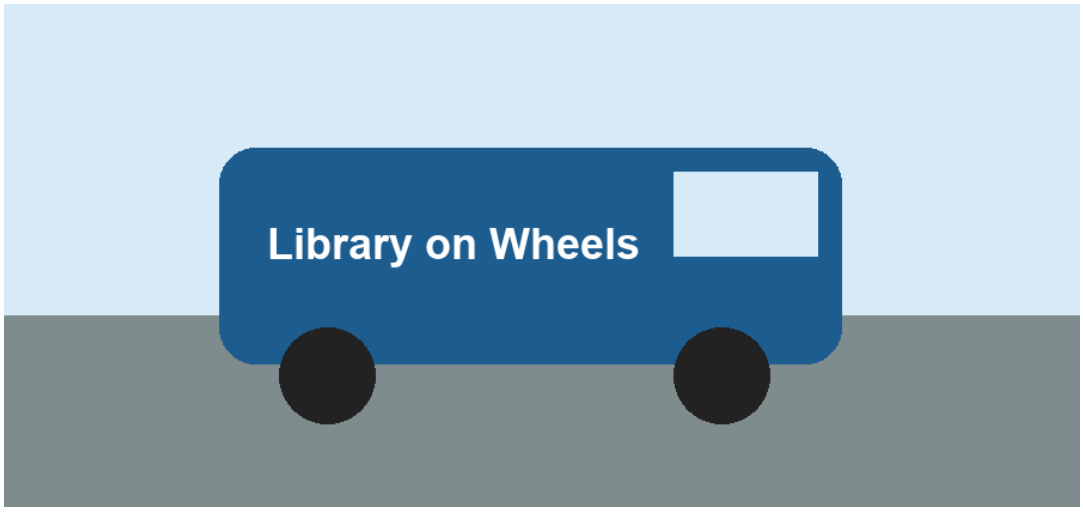

Most popular programs

- Toddler story time (weekly, 3 branches)
- Teen coding club
- Free tax help (January to April)
- English conversation circles
- Seed library and garden workshops

Program	Sessions	Attendance	Age group
Story time	156	6,240	Kids
Coding club	48	1,150	Teens
Tax help	60	1,980	Adults
Conversation circles	96	2,300	Adults
Tech help for seniors	72	1,700	Seniors

Library on Wheels

Our new mobile library visits six rural towns every two weeks, bringing books, Wi-Fi hotspots and story time to families who live more than 20 miles from a branch. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

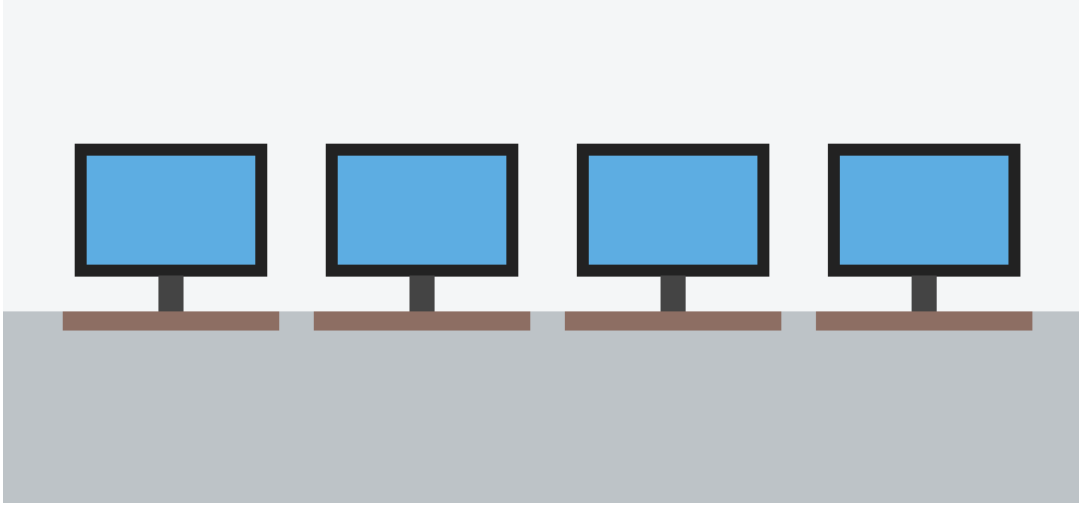

Mobile library stops

- Cedar Falls: 1st and 3rd Monday
- Pine Hollow: 1st and 3rd Tuesday
- Granite Springs: 2nd and 4th Wednesday
- Mill Creek: 2nd and 4th Thursday
- Elk Ridge and Sutter Flats: Fridays, alternating

Digital Access

Free internet access is a lifeline for job seekers, students and older adults. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

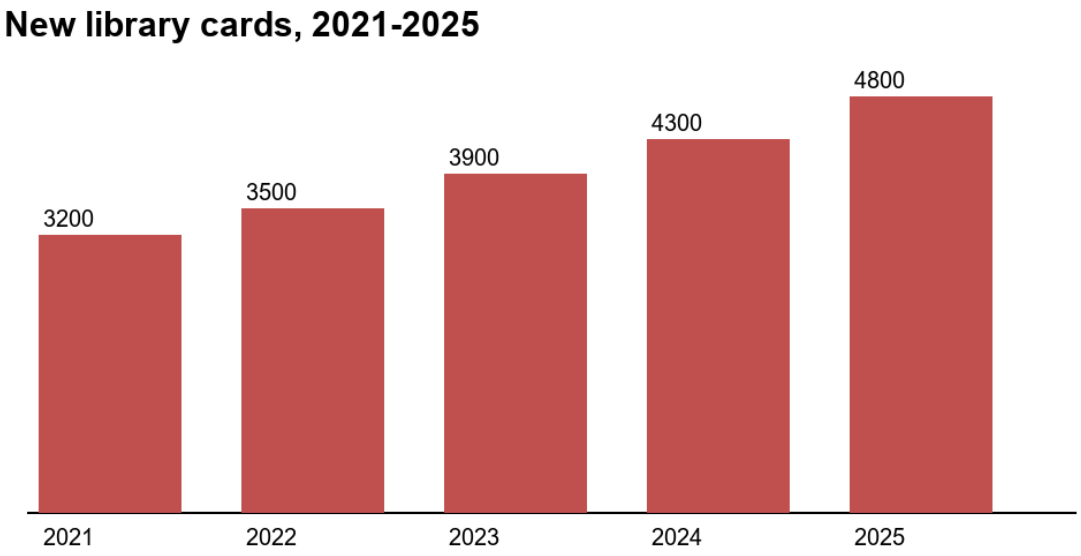

Technology use

Service	2024	2025	Change
Computer sessions	38,000	44,500	+17%
Wi-Fi hours	41,000	52,000	+27%
Hotspots lent	2,100	3,400	+62%
Computer classes	120	240	+100%

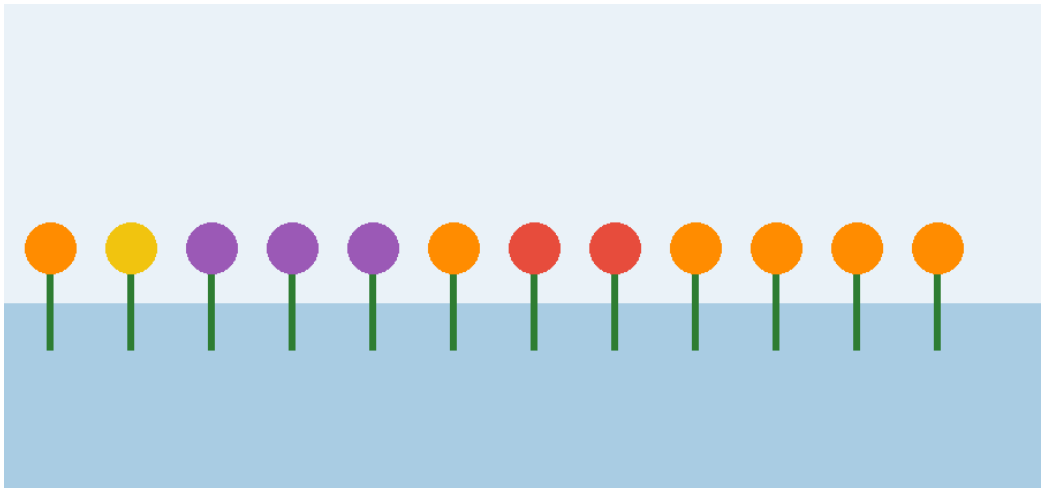

Our new computer lab classes cover email, online job applications, video calls and staying safe online.

Growing Our Community

New card sign-ups have grown every year since 2021. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

The seed library

Members borrowed 2,600 seed packets in our second year, and returned seeds from their own gardens.

Where Our Funding Goes

Program	2025 budget	Share of total
Books and digital media	$612,000	38%
Staff and programs	$544,000	34%
Buildings and utilities	$258,000	16%
Mobile library	$129,000	8%
Technology	$64,000	4%
Total	$1,607,000	100%

Where our funding comes from

- County general fund: 71%
- State library grants: 12%
- Friends of the Library: 9%
- Private donations and foundations: 8%

Every dollar from the Friends of the Library goes directly to books and programs. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.

Lakeview
Community Library

Thank You

Our 312 volunteers gave 18,400 hours this year, the equivalent of nine full-time staff. Our staff and volunteers worked across every branch to make the library a place where everyone can learn, connect and find help. This section summarizes what we did, what it cost, and what our community told us.
